Another year is well under way and the Easter holiday break is fast approaching. Children are settling into their swimming lessons after many had a big break over the Christmas holiday period and came back a little rusty!

If you haven't already done so please Like Us on Facebook so we can keep you informed of any news and remind you of pool closures. We currently have vacancies on week day mornings for Babies and Beginners so if you know anyone who is looking for quality swim lessons we would love it if you could recommend us to your family & friends.
